AROUND the TOWNSHIP

There are plenty of newspapers to boost for Alameda county, for the state of California and for the United States of America.

The township Register considers its principal job to be to boost Washington township first.

There are occasions, however, when the good of Washington township can best be served by co-operation with other communities in southern Alameda county.

We believe that the opportunity offered by Mrs. Jack Williamson's co-operative booklet is one of those.

The southern end of the county is its best and richest part; yet its advantages have not received wide acclaim.

Mrs. Williamson's plan to put out a descriptive pamphlet for Southern Alameda county alone should in part rectify that.

Through her work as a newspaperwoman, Mrs. Williamson has unusual insight and knowledge of what Washington township, Livermore and Pleasanton have to offer new settlers and new business.

Furthermore, Mrs. Williamson is thoroughly competent.

She will do what she says she will do.

The Township Register is glad to add its indorsement of her plan to that of the Niles and Alvarado Chambers of Commerce, and the Irvington Junior Chamber.

E. H. Mikkelsen, who runs the garage on the Newark-Centerville road, was recalling the other day that he always had known what he wanted to do.

When he was 14 he got a job running a tractor.

"I didn't tell the old man about it," he recalls with a grin. "He didn't find out until he discovered I was bossing a three-tractor crew."

Probably more people in the township know E. H. Hirsch's right hand man by the name of Joe California than his true handle, which is Silveria.

When Joe's grandfather returned to the old country, many years ago, after prospering in America, the neighbors who had known him as a boy were so impressed by his success that they figured he had practically made the state of California.

They considered it fitting to call him by the name of California, much as feudal barons used to be called by the names of the domains they owned.

When Joe's ancestor came back to this country, word of his nickname got around and members of the family have rejoiced in it ever since.

Marston Dassel has been a busy man recently with many legion activities. He heads a committee which will provide entertainment for the district legion county meeting here on April 15.

Assisting him will be John Alves, Joe Pereira and Ray Peterson. About 125 persons are expected to attend the affair.

On March 25, Dassel was in charge of the past commanders' night at the veterans' hall. Past commanders filled the various offices for the evening.

Frank Mendoza acted as first vice commander, Walter Martenstein as second vice commander, Roland Bendel as chaplain, John Dutra as adjutant, Frank Vargas as post commander, Dale Carruthers as sergeant at arms and George Smith as assistant sergeant at arms.

H. S. Wiseman and E. D. Bristow also occupied official chairs.

Democrats Elect Margaret Sinclair

CENTERVILLE—About 35 members of the Washington township Democratic club elected Miss Margaret Sinclair of Irvington as secretary to replace Miss Rosaline Egan at their regular meeting in Parish hall Monday night.

Miss Egan resigned when she took a new position with the Bank of Alameda county.

Membership cards were distributed to those attending the meeting with instructions to go out and sign up new members between now and the May session.

An enrollment of at least 600 is planned.

HIGHWAY SHIFT TO BOTTLE UP NILES

JR. CHAMBER DECIDES FOR DANCE IN MAY

NILES—Hot arguments developed Monday night at the Niles Junior Chamber of Commerce meeting in the Columbia grill over the desirability of the group's sponsoring another dance.

Announcement by the directors that, in order to save time, they had taken it on themselves to sponsor a dance some time in May and that they would like the chamber membership to assume the responsibility by vote brought protests from some to the effect that dances were being overworked as money raising schemes.

Two viva voce and one standing vote on the question resulted in the proposal to hold the dance carrying by a slender margin. No definite date was set.

President Sam Kerns called on members of standing committees to make reports.

Addison Richmond announced his resignation as chairman of the entertainment committee.

L. Lewis, head of publicity, told of plans for a radio broadcast by the junior chamber group, of a proposal to enter floats in various fiesta parades in the southern end of the county, of the need for signs over the streets to welcome visitors and of the need for circulating more pictures of the beauties of Niles canyon.

Velois Fournier, head of the committee on national junior affairs, reported on the referendum to increase the number of national directors and the group voted in favor of the move.

He also reported extensively on the national junior chamber plan for settlement of war debts.

E. H. Frick, as state representative, read a letter from the Eureka Junior chamber of commerce asking for pointers on group organization and Lawrence Pine discussed the organization of the Niles Boy Scout troop.

He declared the committee on Boy Scout work is to meet Friday.

A Pine and Frick declared the committee needed \$20 for filing fees and secretarial equipment incidental to organizing the troop and a motion to appropriate the money was lost.

Opponents of the motion demanded a financial report before giving their approval to the appropriation. The report was deferred until the next meeting.

A motion to appropriate \$50 to start development of street sign work also was defeated.

A motion to hold the annual picnic at Mosegaard's park on May 31 was carried.

Among guests at the meeting were Joe Lea and Lucio Campos of the Irvington Junior Chamber of Commerce and Mrs. Jack Williamson of Niles.

Mrs. Williamson presented her plan for a southern county advertising booklet and asked for the group's indorsement.

The indorsement was given.

Congregational Church

NILES—Easter services will be observed by the pastor, Wesley Dexter Gordon, at the eleven o'clock service.

The pansy ceremony, conducted by the Sunday school staff, will be observed, and there will be special singing.

Thursday afternoon, from two to four, the primary department of the Sunday school will enjoy an Easter egg hunt at the church.

Saturday afternoon, at the same hour, the junior department will hold a similar party.

There will be more than eggs enough for every youngster. A prize will be given for the one who finds the most hidden eggs.

Thursday evening there will be a Sunday school teachers' meeting at the parsonage.

Rehearsals on "The Mystery of Thorland," the junior church play, which is to be presented to Washington Township next month, are progressing rapidly.

Theo Elliot United To Howard Overaker

CENTERVILLE—Before an altar banked with spring flowers in shades of pink, orchid, and white, Miss Theo Elliot became the bride of Mr. Howard Overaker on April 5 at four o'clock in the Centerville Presbyterian church.

Following the ceremony, which was read by Reverend McElhiney, Mrs. Mervin Blacow sang "O Promise Me," accompanied at the organ by Mrs. C. E. Anedron.

The bride, given in marriage by her father, was charming in white satin, made along Grecian lines with high cowl neck, long sleeves fitted from the elbow to the wrist, and draped skirt which ended in a slight train.

Tiny clusters of orange blossoms held her finger tip veil in place.

Her bouquet was a sheaf of Easter lilies.

Miss Frances Anderson of San Francisco and Miss Mildred Durham of Irvington were the bridesmaids.

They were gowned in tearose taffeta with turbans, belts, and shoes of brown.

They carried talisman roses and orchid stocks.

Little Miss Beth Laudenslager, the flower girl, wore a ruffled dress of blue taffeta.

Mr. George P. Coefield acted as best man, and the ushers were Mr. Michael Overaker and Mr. Robert Hornberger, cousin of the bride.

Following the ceremony an informal reception was held at the home of the bride's parents, Mr. and Mrs. Thomas H. Elliott of Niles.

After the honeymoon spent in the southern part of the state, the young couple will reside in Mission San Jose where they have recently completed a home, and where the groom is engaged in farming.

April 5, besides being the wedding day of Mr. and Mrs. Howard Overaker, is also the thirty-sixth wedding anniversary of the groom's parents, Mr. and Mrs. M. J. Overaker.

Instead of the bride throwing her bouquet as is the custom, she presented it to Mrs. Overaker.

Graham Plant Spending Big Sum On Extensions

NEWARK—Elaborate plans for enlargement of the C. H. Graham stove works are under development with completion due in about 50 days.

Lester Burdick, plant superintendent, announced this week.

The work is to increase the facilities in the enameling and assembly plants.

Additional floor space in the assembly department will be 70 by 105 feet.

In the enameling plant, the new construction will add a space of 40 by 86 feet.

Total new floor space will be 10,790 square feet.

Already one of the largest factories of its kind in the country, the Graham works, with its additional room, will be able to speed its operations to meet its increasing volume of orders.

The company has just completed installation of a new sprinkler system at a cost of \$3000 as a safeguard against fires.

Cost of the plant enlargement will be in the neighborhood of \$1000.

Peto Casella, formerly connected with the Hellwig Meat Co. store at Niles, was a visitor this week.

Mr. Casella has opened his own shop in San Jose.

DR. DE BORBA TO LOCATE OFFICE IN CENTERVILLE

CENTERVILLE—Dr. Frank De Borba has purchased the Clarence F. Salz home opposite the Centerville grammar school, according to Velma Lewis, realty broker, who handled the deal.

Dr. De Borba has practiced dentistry for many years in San Jose and in Oakland.

At present he maintains offices in the Lake Merritt district.

He expects to move to Centerville on June 5.

Mrs. De Borba is a daughter of Dr. Azevedo of San Jose.

Rebekah Lodge Greets Leader

NILES—Seventy-five persons attended the meeting of Niles Rebekah lodge last Friday at which Mrs. Mary Rawcastle, state assembly president, appeared on her official visit.

Mrs. Rawcastle was accompanied by Mrs. Hannah Post, conductor, and Mrs. Jennie Bennett, past president of the assembly.

Lodge members from Livermore, Pleasanton, Oakland, Hayward and Mission San Jose attended the affair.

In the afternoon a district lodge meeting was held at the Alvarado lodge, followed by a dinner at the Alvarado hotel.

Mrs. Laura O'Reilly, district deputy, presided at the Alvarado meeting and Mrs. Rawcastle gave instructions in the lodge work.

From Alvarado, members came to the Niles session.

Mrs. Rose Fournier, Mrs. L. Sorensen and Mrs. Fern Mille had charge of the arrangements.

Fred Mille and Margaret Childs provided the music.

ENTERTAINMENT POSTPONED

IRVINGTON—Members of the Irvington Junior chamber of commerce for the entertainment for Alameda County Junior chamber. The meeting will be May 4 instead of May 11.

Plans for opening the Irvington skating rink caused the change in date.

Mrs. Mona Lund of San Francisco has been visiting at the home of Dr. and Mrs. E. C. Grau.

Mrs. Lund is Mrs. Grau's sister.

P.T.A. Holds Installation

NILES—Mrs. E. A. Ellsworth, Mrs. Roland Bendel, Mrs. Harvey Braun, Mrs. C. N. Myrick and Mrs. C. N. Martenstein were guests of honor last week at the luncheon given in the Belvoir hotel when new officers of the Niles P.T.A. were installed.

Mrs. Martenstein was honored as the chairman of the organization committee of the P.T.A. unit.

The other four were all past presidents.

Thirty-five women attended the affair.

Mrs. Robert Vieux, Mrs. Bert Silveria, Mrs. Flora Silva and Laurence Avila were soloists on a musical program under the direction of Mrs. Clarence Crane.

Mrs. Charles Sorensen, council president installed the following officers:

Mrs. C. H. Franklin, president; Mrs. Frank Silva, vice president; Mrs. Robert Vieux, recording secretary; Mrs. R. Calhoun, treasurer; Mrs. George Burr, corresponding secretary; Mrs. J. D. Galvin, auditor; Mrs. R. Cozzi, historian; Mrs. Roland Bendel, parliamentarian and Mrs. J. J. Alberg and Mrs. George Rogers, delegates.

Mrs. C. N. Myrick read a history of the P.T.A. and Mrs. Bendel read a letter of thanks from Mrs. Joseph Zwissig, retiring president.

Mrs. Zwissig donated corsages to the newly installed officers.

Mrs. Mabel Smith of San Jose visited Mrs. Guy Lucas and her son during the week-end.

Pound Foolish

Gasoline is going up!

That means that the farther from Washington township people go to do their shopping the more their merchandise costs them.

All the experts say that operation of an automobile costs up to 10 cents per mile.

Figure it out for yourselves Mr. and Mrs. Township Resident. Ten miles, one dollar. Twenty miles, two dollars. Thirty miles, three dollars.

And much of the merchandise to be bought in other places can be had right in the township at the same prices.

Newark Presbyterian

NEWARK—A unified service of church and Sunday school beginning at 10:00 a. m. Special organ numbers, Miss June Brown. Musical numbers by the children and choir. 10:00 a. m. organ voluntary, Miss June Brown.

7:30 p. m., evening worship, with special musical numbers.

A most cordial invitation to the public in general to any and all of these services.

E. E. MATHES, Pastor.

Community Church

IRVINGTON—Easter services for the Irvington Community church will start Sunday morning at 10:40 o'clock with a special program by the Sunday school classes.

Special feature of the church service at 11 a. m. will be the administering of baptism to a number of young people who have united with the church.

A cordial invitation is extended to all visitors and township residents.

STOLEN CAR RECOVERED, COLORED YOUTH IN JAIL

WARM SPRINGS—When Traffic Officer Duffey Lewis caught sight of a young Negro driving a 1935 automobile here the other day he became suspicious and started to investigate.

When the youth saw him approach, he abandoned the auto and started to run.

Lewis was unable to stop him until he had fired a pistol shot over the fugitive's head.

Questioning revealed that the boy's name was Lance Staples, that he was 17-years-old and that the auto had been stolen from Eunice K. Schroeder of Berkeley.

Staples is being held for investigation.

CLUBWOMEN AT LUNCHEON

CENTERVILLE—The ways and means committee of the Country club of Washington Township, consisting of Mrs. Roland Bendel, Mrs. Harry Searles, Mrs. Henry May, Mrs. J. L. Olsen, Miss Christine Anderson, Mrs. A. J. Petsche, Mrs. E. E. Dias, Mrs. R. W. Menendhall, Mrs. R. T. Anderson, Miss Flora McKeon, Mrs. Harry Cushing, and Miss Elizabeth Dusterberry were guests of Mrs. F. T. Dusterberry at luncheon on Thursday.

After an informal discussion of the financial work accomplished by this committee during the past year, the group attended the flower arrangement class at the high school.

TWO LOCAL CHAMBERS OF COMMERCE UNITE TO KEEP OLD ROAD OPEN

NILES—Detailed plans for the highway reconstruction at Niles were made public early this week, showing the contemplated closing of the present road between the cannery at the southeast end of town, and Overaker's crossing. The Niles chamber of commerce and the Junior chamber of commerce at once got busy to ascertain if some measures might be found by which the road could be kept open under county jurisdiction.

The meeting of the chamber Monday was attended by President Sam Kerns and William Helm of the junior chamber. The two groups agreed to act jointly and to present letters to the county board of supervisors. The senior chamber named a committee composed of E. A. Ellsworth, W. B. Kirk and R. A. Blacow which conferred later with the junior chamber committee, including Velois Fournier, Solon and William Helm.

The junior chamber voted to send a telegram of protest to federal authorities, as the cost of improvement is to be met in part from federal funds.

The projected work provides for erection of six railroad underpasses, completely eliminating grade crossings. The network of railroads at Niles is the most comprehensive of any town in the state.

Of 29 railroad underpasses now on the program of the highway commission, six are for Niles.

The new highway will take off on Vallejo street just west of Niles, and will be 100 feet wide. It will proceed the length of Vallejo street and strike several hundred feet east at the east end of town and then turn south in a direct line, proceeding to the Overaker crossing, where it will rejoin the present road.

A tangent will be built from a point south of Alameda creek to connect with the Centerville road about an eighth of a mile west of Thane's corners.

The present underpass from Niles canyon will be closed and a new pass wide enough for four lanes of traffic and 24 feet high will be built 300 feet south. This will proceed easterly in a straight line to a connection with the road up Niles canyon.

The only entrance to Niles from the east will thus be from the Niles canyon road and its connection with the main north and south highway.

The present bridge over Alameda creek will be closed and a new bridge constructed.

Some differences of opinion were expressed by chamber of commerce members as to the value of the improvement to Niles. Total expenditure will approximate \$1,000,000. In addition to the actual costs of construction, rights of way will be expensive and the Southern Pacific and Western Pacific lines will spend about \$300,000. A substantial sum will be expended for labor and materials on the spot. The work will require a year or longer to complete.

The reverse argument is that the closing of the present road east will deflect many cars that and diversion of traffic to the new pass through Niles. Some property owners will be substantially damaged by closing of roads and railroad crossings.

Final Week Of Bulb Show Draws Crowds

NILES—A gorgeous display of tulips was the feature of the closing week-end of the formal exhibition by the California Nursery company, which has lasted through the last six weeks. The nursery will continue to entertain guests as they call, but there will be no more formal programs for the present.

Hundreds of sightseers attended the show Saturday and Sunday, and among those who registered at the Old Adobe were visitors from Minneapolis, Denver, Dayton, O., and Lewistown, Mont. A group of officers of the California Federation of Garden clubs attended Sunday.

The federation is interested especially in beautifying of highways and in plant material and flowers. J. A. McDonald, of the nursery company, gave an address on "Tulip Varieties and Culture," and answered questions in a general discussion on spring flowering bulbs.

In the cut flower section, rare varieties were shown of tulips, iris, rhododendrons, roses and geraniums. Renewed interest is expected from April 15 to May 15, when 250 varieties of roses will be blooming.

PAIR REPORTS CANYON HOLDUP

NILES—A closed car speeded alongside the automobile in which Joe Walker, 28, and Mary Jones, 18, were riding Saturday evening in Niles canyon and forced it off the road.

Three men piled out of the car. One held a gun on the two victims, a second took \$25 from Walker and \$2.76 from Miss Jones. The third disconnected the ignition wires on Walker's car.

After the robbery, the three drove off in the darkness. Miss Jones and Walker walked back to Niles and reported the holdup to authorities. They said the men were all young appearing. Tom Silva and O. W. Ebricht questioned them and started an investigation. The two victims are from the Imperial Valley. They have been living at the Frank Azuna pea pickers' camp.

Registration Tie
Sierra Madre.—Political sentiment is pretty evenly divided in this southern California town. Democrats and Republicans have registered in exactly the same number: 962 of each.

Three Camps for California
Washington.—Three citizens military training camps will be held in California this year—at the Monterey Presidio, Fort Winfield Scott and Fort MacArthur—according to an announcement by the War Department.

New Armory For Coast City
Santa Barbara.—On a basis of advice received from WPA officials in Washington and San Francisco, Secretary Herron of the Chamber of Commerce predicted immediate release of \$105,000 in Federal funds and an order for construction work to begin at once on Santa Barbara's National Guard armory and convention hall.

Kern Blossom Festival
Bakersfield.—While short-stemmed flowers are blooming in scattered groups in various parts of Kern County, the usual spectacular display is dependent upon rainfall during the next week or two, according to a report by the Kern County Chamber of Commerce. It is believed the blossoms will be out in abundance the latter part of April, attracting thousands of motorists.

More Armories For California
Sacramento.—Federal funds to finance construction of 28 armories in California will be sought by Adj. Gen. H. H. Morehead at a conference with Administration officials in Washington. General Morehead said he would request \$2,500,000 as California's share of a suggested appropriation of \$5 million dollars for National Guard expansion throughout the nation.

May Run For Assembly
Exeter.—Mrs. Louise May Elsensohn of this city, prominent California clubwoman, "Hiram Johnson Republican" and Central Valleys Project supporter, indicated she may announce her candidacy for the assembly seat left open by the withdrawal of Assemblyman Ford Chatters of the thirty-sixth district.

Flood Warning Given
Los Angeles.—A warning that a capital flood, such as visited southern California in 1834, would probably take a heavy toll of life and cause property damage as high as \$100,000,000 was sounded by C. H. Howell, chief engineer for the county flood control district, in a public hearing before Major Theodore Wyman Jr., district engineer for the War Department.

Destroyer Launching April 22
Mare Island.—The U. S. S. Preston, newest ship in the American destroyer fleet, will be launched from Mare Island Navy Yard April 22. The vessel is one of sixteen new 1,500-ton destroyers built from funds appropriated in the National Industrial Recovery Act, and a sister ship to the U. S. S. Smith, launched at Mare Island February 20.

Federal Lands Withdrawn
Santa Barbara.—Two hundred thousand acres of the Gibraltar watershed in the Santa Barbara National Forest have been withdrawn from location and entry under the mineral land laws by the United States Senate. The order prohibits promiscuous destruction of valuable watershed but does not restrict the use of forest by the public.

Insane Patient Runs Amuck
Stockton.—Oscar Borgenson, 54, a patient in the State hospital for the insane, attacked two men in the institution's butcher shop with a hammer and then slashed himself to death with a butcher knife. Both of his victims were seriously injured, one perhaps fatally.

Lone Pine Hit By Fire
Lone Pine.—Members of a motion picture company on location here were routed from their beds in the early morning hours by a fire which for a time threatened to destroy the entire town. The local fire department, aided by apparatus and men from the Los Angeles aqueduct system, managed to confine the blaze to a small cluster of buildings. Damage was estimated at \$50,000.

Utilities Score Gains
Sacramento.—Income totaling \$4,123,142 was collected by the State through the new operating fee in lieu of city and county personal property taxes on motor vehicles during January. The new tax, based on a rate of \$1.75 per \$100 valuation of motor vehicles, averaged \$3.44 per car. Of total fees, 37½ per cent will be paid to cities and counties, 1 per cent will be allotted to the department for collection expenses and the remainder will be retained by the State.

Smart Silk Prints for Young Girls

By CHERIE NICHOLAS

FOR as refreshing and lovely a threesome as ever fancy can picture, we suggest the alliance of springtime, youth and gay silk print. In the new season's style parade it is very evident that designers of young-girl fashions are all enthusiasm over joyous colorful printed silk crepes and silk tulle. Agreed that pretty young girls and happy bright prints belong together, the next logical step is to plan the wardrobe of Miss Sweet Sixteen and her younger sisters accordingly. To secure satisfaction in selection of a voguish silk print for the junior miss be sure that it be as practical as it is attractive. Meaning, one should choose from standpoint of wearability as well as intrigue of color and pattern. See to it that the silk you are buying is that steely it will not pull at the seams or crumple because of artificial weighting. Only good silks can be depended upon to dry-clean like new, while many of them may be tubbed with perfect confidence in a happy outcome. Which accounts for an ever increasing demand for pure dye all-silk prints instead of shoddy weaves that make a grand "first appearance" and then begin to lose their glamor from the day they are worn. More and more women are coming to realize the economy of getting the best.

Printed silk crepe is a favorite for practical daytime wear. The key to silk prints for spring and summer is color in vivid, virile hues as inspired by Van Gogh, celebrated Spanish painter. Of course if pastels are your choice you will find them most delectable in the new showings, otherwise take a

Before the season is far spent every young girl will be coveting a bolero costume such as are outstandingly fashionable at present. So see to it that the young girl's wardrobe includes a bolero outfit to wear in the spring style parade. Prints made up in bolero fashion are a "last word" in swank. The model which the little lady seated in the foreground is wearing is made of printed tulle. The blouse of French blue silk crepe is gathered to the skirt. The jacket is removable and the collar and cuffs of the blouse are worn outside. Notice the short puffed sleeves of the jacket. The jacket, either Eton, bolero or of basque with a peplum persuasion made of printed tulle worn with a plain skirt is a high fashion for spring.

JACKET BLOUSE

By CHERIE NICHOLAS

The blouse that looks like a jacket, made of gay print and worn with a monotone skirt for striking contrast, is a foremost fashion this season. Tailored, yet without delightfully feminine, is the model pictured. It is made of a Supima cotton print and its tropical coloring is fascinating. The hand-collar ends in a little tab. Similar banding finishes the full short puff sleeves. Wear the blouse tucked inside or out over the skirt—the new bolero suits call for the former.

Angel Robes

Some of the novelties featured in the fall openings in Paris were long monk's capes, angel robe evening gowns and floating Grecian draperies.

All Around the House

Ink spots on the fingers may be instantly removed with a little ammonia. Rinse the hands after washing in clear water.

Icing for cake may be prevented from cracking by adding one teaspoon of cream to each unbeaten egg. Stir all together, then add sugar until the icing is as stiff as desired.

Set your alarm clock to notify you when baking period is completed. You may then continue your work in the other part of the house without worry.

If dirt becomes ground into a waxed floor moisten a cloth with turpentine and rub the turpentine well into the floor until the wax is removed, then wash the floor anew and polish it.

To remove egg stains from a linen tablecloth soak it in cold water before putting it into hot soapsuds.

A little vinegar poured into a saucepan in which onions have been fried will remove the odor of onions from the pan.

A worn whisk broom trimmed down to its stiffest part makes a very good scrubbing brush for the sink.

To remove stains from a vase or bottle, put in it two tablespoons of salt and four tablespoons of vinegar and shake well. Let stand for several hours, empty and rinse out in hot soap suds.

Baking powder biscuits, corn breads and muffins may be freshened by brushing them all over with cold water and heating in a moderate oven (375 degrees F.) for five or ten minutes just before serving.

Soft cheese may be grated by pushing it through a sieve with a spoon.

Largest Push Cart Market

New York city has the largest pushcart market in the world. It consists of 12,000 peddlers who do a gross volume of business of more than \$500,000 a week, selling a vast variety of articles that range from octopi to oil paintings.—Collier's Weekly.

TALLEST STRUCTURE

Until New York's Chrysler building came along in 1930, with its height of 1,046 feet, the Eiffel Tower in Paris, 984 feet, was the world's tallest structure. Later, of course the Empire State building topped both with 1,248 feet.

World Not a Spectator to Over-Sensitive One

A good deal of discomfort arises from over-sensitiveness about what people may say of you or your actions. Many unhappy persons seem to imagine that they are always in an amphitheater, with the assembled world as spectators; whereas all the while, they are playing to empty benches.—Sir A. Helps.

Timely Striped Bass Recipe By Mrs. Amaral

DECOTO—Here is a timely recipe—striped bass chowder, by Mrs. Emma Amaral. The bass season is on and more and more bass will be caught as spring advances. If you are not a fisherman, perhaps you have a friend who is. Here is the recipe:

Scale, wash and cut out gills from head of fish, leaving only solid piece. Use several other pieces of fish also. Put in salt water while preparing the rest.

Then saute two medium sized onions, two cloves, garlic in four

tablespoons butter and oil. Add one tablespoon chopped bell pepper, one-half cup chopped celery, one carrot and two cups diced potatoes. Simmer a few minutes, then add one can hot sauce and simmer few minutes again. Add two quarts boiling water, salt and pepper, one tablespoon vinegar and boil 15 minutes. Put fish in clean white bag, add one tablespoon chopped parsley. Boil slowly 15 minutes longer.

Cut this one out—you may need it soon.

George Mathiesen of Centerville has been feeling under the weather recently following the extraction of wisdom teeth.

Bette Robinson and Joan Boyd spent the week-end in Oakland.

Mrs. Frank Madruga, Mrs. Frank Souza and Lida Santos are planning a trip to the Hawaiian Islands to take place after the closing of school for the summer vacation.

LET US EQUIP YOUR CAR WITH SILVERTOWNS

... the only tire that gives you Golden Ply Blow-out Protection

Before you buy any tire ask yourself this, "Why should I gamble on tires when Goodrich Silvertown tires have what no other tire has—the Life-Saver Golden Ply?" And here's how this remarkable invention protects you from dangerous high-speed blow-outs: It resists the heat generated inside the tire by today's high speeds. It keeps rubber and fabric from separating—keeps blisters from forming.

You're protected by the greatest improvement in tire construction in years! And even though it costs real money to build the Golden Ply into every Silvertown—even though the husky-cleated Silvertown tread will give you maximum protection against dangerous "tail-spin" skids and will give you months of extra mileage, too, Silvertowns cost not a penny more than other standard tires. No wonder our customers look to us to give them real driving safety—and to cut their motoring costs. Come in and get a set of these life-saving Silvertowns.

Ford Dealers Announce R&G Cars & Trucks

*new automotive quality for
the Used Car buyer*

NEVER before has there been assured to used car buyers as definite protection as is now offered by Ford Dealers in R&G cars and trucks.

R&G means RENEWED and GUARANTEED—RENEWED to meet the definite specifications shown on the R&G tag, and GUARANTEED, in writing, by your Ford Dealer.

The R&G specifications cover every important detail. Any car or truck meeting these specifications is an outstanding value. Yet the R&G car or truck of your choice will cost you no more than an ordinary "used car."

Backing these specifications is the written, money-back guarantee of your Ford Dealer.

For extra-thrifty buyers your Ford Dealer has SQUARE DEAL VALUES—good used cars and trucks at low prices, protected by a written money-back guarantee.

MECHANICAL GUARANTEE

"We agree to correct at our expense any condition in this car or truck which is not in accordance with the above specifications, provided that we are notified by the purchaser of this condition within ten days from this date, and further provided that such condition is not the result of accident, neglect, or abuse of the car or truck after delivery to the customer, and that the car or truck has not been repaired or altered outside of our shop during the guarantee period."

MONEY-BACK GUARANTEE

"We further agree that we will refund such part of the purchase price of the car or truck as has been paid by the purchaser, including any used car or truck applied as part payment or, at our option, the allowance price thereof in cash, thereby canceling the sale if the purchaser so requests; provided that this request is made by the purchaser at or before . . . o'clock on . . . , 19 . . . , and the car or truck is then returned to us in the same condition as when delivered."

Visitors from L. A.

Mr. and Mrs. Clement W. Ausman, of Los Angeles, are spending a few days in Niles before proceeding to Portland and the Pacific Northwest. Mr. Ausman is a long-time member of the editorial staff of the Los Angeles Examiner, and with Mrs. Ausman is making a tour that may include Zion park in Utah before their return to Southern California. He has taken a months' leave from his duties.

Miss Pauline Alderman, assistant professor, College of Music, University of Southern California, Los Angeles, is visiting her mother, Mrs. Edith M. Alderman, and brother, Henry Alderman, of the Township Register. Miss Alderman will spend part of her Easter vacation in Niles.

IRVINGTON JUNIOR CHAMBER DANCE

IRVINGTON—Special invitation to the Junior civic groups of Alameda county has been issued by the Irvington Junior chamber of commerce with the announcement of its first get-together dance which will be held at Maple hall on Saturday, April 25.

Campos' Californians will provide music for the affair says Joe Silveria, member of the committee in charge.

The Maple hall floor is famous in the southern end of the county for its smoothness and finish and the members of the new group expect a large turnout.

Members of groups in Pleasanton, Oakland and Washington Township communities have signified their intention to attend.

ROLAND BENDEL BATTLES FRESH WATER SKEETERS

Decoto—"No sooner do we get the marsh mosquitos under control than the fresh water mosquitos start breeding."

This is the chief complaint of Roland Bendel, Washington Township foreman of the mosquito abatement district.

Bendel and his crew last month performed oiling operations to kill mosquito "wrigglers" breeding in 33.4 acres of dairy drains. Breeding in cesspools and septic tanks also has already started and is being controlled by regular oiling, Bendel said.

Marsh mosquito control work continued during March with 854 linear feet of new ditch constructed, 3,356 linear feet of old ditch cleared of silt, weeds, and other obstructions to drainage, and residual water remaining on a total of 464 acres of marsh oiled, according to the monthly report of Harold F. Gray, abatement district engineer.

COLUMBIA GRILL SHOW

**Ford Open House
Draws Thousands**

RICHMOND—Twenty-five thou-
sand people streamed through the
Richmond plant of the Ford Mo-
tor Company last week.
From Monday through Friday
the doors of the mammoth plant
were thrown wide for the public.
It was Open House Week—and
it was a much bigger party than
anyone expected.
Twenty-five thousand—ranging
from grammar school children to
octogenarians—and they all took
the same intense interest in the
amazing spectacle of production
on a large scale.
They came from all over—by
bus from such distant points as
Esparto and Wodland, by boat
from San Francisco, by car from
Oakland and Sacramento, by foot
from Richmond itself.

**BIG MAJOR BOWES
SHOW IN OAKLAND**

OAKLAND—A big show, fea-
turing a Major Bowes' unit of
prize-winning amateurs and an au-
gmented orchestra on the stage, a
6 star mystery thriller, "Moon-
light Murder," on the screen, is
at the Orpheum theater in Oak-
land at no advance in prices.
The group of Major Bowes' win-
ners to appear on the Orpheum
stage were especially selected by
the originator to appear in Oak-
land. By special request by the
guardian of the gong these groups
will be augmented during the
week by local aspiring thespians
selected from the Eastbay high
schools, junior colleges and civic
or industrial organizations.
The Bowes' entourage includes
"The Singing Milkman," Kelly
Sisters, "Jack-of-All Instruments,"
Peggy Dean, Marie Marlow, Ray-
mond Biggs, Shapiro and Locust,
Smokey Joe, and a number of
others. Al Mitchell will act as
master of ceremonies and Ma-
jor Bowes' representative.

**April 15 Deadline to
Pay State Income Tax**
SACRAMENTO — Taxpayers
were reminded today by Charles
J. McColgan, franchise tax com-
missioner, that state income tax
returns must be filed on or before
April 15, and that, accordingly,
only a few days remain in which
to file returns. Under the State
Income Tax Act passed by the
Legislature in 1935, every single
person whose net income for the
year 1935 amounted to \$1,000 or
over, and every married person
whose net income amounted to
\$2,500 or over, must file a return.
Furthermore, every person whose
gross income for 1935 amounted
to \$5,000 or over must file a re-
turn, regardless of the amount of
net income. Returns must be
filed by every person whose in-
come for 1935 equalled or ex-
ceeded the above amounts, even
though no tax is due.

EDITORIAL COMMENT

By Carl S. Kelty

EASTER

On next Sunday, April twelfth, the Christian world celebrates Easter which commemorates the most important event in the life of Christ—namely, His resurrection from the tomb.

Because of this the world has since had a living Christ upon which it might rely for spiritual strength and guidance.

Easter is a time for deepest contemplation. It is the time of year in our latitude when all nature is in the process of marvelous and wonderful "resurrection;" when new life and rebirth of beauty in flowers and grass and all living things of the fields and wood, bring to man their answer and response to his inner desire and inherent longing for the rebirth and the new birth and immortality; creating an active faith and hope for a new life and a new day in greater usefulness of imperishable beauty.

So long as the Easter season thus inspires each one to higher thoughts and nobler living, so long will its annual return prove an inspiration to the world and a benediction to humanity.

CHAMBER OF COMMERCE GOATS

The fashion prevails, not only in Washington Township, but universally, for those on the sidelines to criticize the Chamber of Commerce for what it does or fails to do. The two Niles chambers are often given the raspberry—usually by those who are imperfectly informed concerning the actions they condemn. The most outspoken critics are nearly always those who may be members but rarely if ever attend meetings.

This tendency is mentioned in an article by Jesse Rainsford Sprague, published by the Saturday Evening Post, who tells of an address made by the secretary of the local chamber of an eastern industrial city to students of a local school, explaining what the chamber did for the city. At the conclusion a youth stood up and demanded: "Why did the chamber keep that automobile plant from locating here?" There had been talk a dozen years before that an assembly plant might be located in the city. But far from keeping it out, the chamber did its best to bring it in. A dozen other cities were after it, and the plant went to a place the owners thought best suited.

This was when the interrogator was a little boy. Meanwhile a tradition had grown up that the chamber was to blame, and the boy had heard of it.

Mr. Sprague's article says a chamber of commerce secretary had just about the most complicated job there is. Officers and committee members of the Niles chamber and junior chamber give freely of their experience and time, without any compensation. They are constantly working for the good of the community. And that goes for the officers of other commercial bodies in the township.

Let those who are inclined to criticize attend meetings, shoulder their share of the work, and know what they are talking about before they speak out of turn.

BUS FARES TOO HIGH

While the California railroad commission is discussing bus franchises, it might give consideration to the high fares charged by the Peerless stages, operating through Niles, between Oakland and San Jose. The service is good, the fares out of reason. For example, the charge between Niles and Hayward, nine and a fraction of miles, is 30 cents. This is too much. Other local fares are proportionately excessive. The railroads are now charging two cents a mile. Buses should do it for one and one-half cents—perhaps one cent.

TRANSIENT HIT BY CAR

NILES—Claude C. Holland, 57, transient, was severely injured on Sunday evening on First street when he was struck by an automobile driven by J. A. Silva of San Jose. Dr. A. C. Grau treated him for scalp lacerations, concussion and injuries to his back and legs. He was taken to Fairmont hospital in San Leandro.

FIGHTERS SENT TO JAIL

NILES—Louis Vaca, 22, Tony Ruiz, 39, Pete Sevy, 27, and A. Muro, 27, pleaded guilty recently before Judge J. A. Silva to violation of county ordinance 200. They admitted engaging in a free-for-all fight in Alvarado on Saturday. They were sentenced to 10 days in jail in lieu of payment of \$25.

Plumbers... painters... carpenters... these craftsmen and many others have benefited in a large measure by the home loans which Californians have made through Bank of America during past months. To date, Bank of America home loans, made under the provisions of the Federal Housing Act, total more than 32 million dollars. Glance at the accompanying chart and see just how this vast amount of money turned into the building industry in California has benefited labor engaged directly in building, repairing, and modernizing California homes, farm buildings, office buildings, stores, and other structures.

If you are planning to buy or build your own home, FIRST see Bank of America. A Bank of America long-term home loan up to 20 years' gives you financing terms which meet your budget as easily as rent. Now is a good time to build the home you have always desired.

*The above figures include only F. H. A. loans—Bank of America's total loans to business, industry, and individuals in California total more than 450 million dollars.

Remember When?

The thermometer couldn't take it. Everyone wanted to pat you on the back just because you had a sunburn. The ice cream melted on the way home. Of all the people in the world, the mosquito had to pick on you. You held a glass of ice water in one hand and a fan in the other. Those were the days.—Princeton (Mo.) Telegraph.

Bargain Prices

Junior had eaten at a restaurant with his parents, and with his characteristic observation saw his father place some small change under the plate, although the meaning of the check was beyond his understanding. "Did you get all that food for 15 cents?" he asked dad in a voice that could be heard by most of the persons in the restaurant.—Indianapolis News.

CRUDE TENTS ARE BEST FOR SCHOOLS, LAPLANDERS FIND

Abisko, Sweden-Lapland, in the north of Europe, is one of the few places in the world where school houses can be built too well. The Lapp school is merely a tent-like shed with birch branches on the floor for beds, an open hearth and the crudest fittings.

Years ago when better school houses were tried, it was discovered that when Lapp children had to sleep in beds, take baths and eat fresh vegetables, they caught colds that usually developed into pneumonia. Officials therefore wisely provided that schools here should be built as nearly like the average Lapp home as possible.

Education in Lapland is a wandering affair. The people depend on their herds of reindeer for a living, and when these make their migrations, the family must quickly pack its belongings and follow dutifully behind. Teacher and school must do the same thing, for Sweden takes good care to see that the Lapps receive an education.

In summer, however, the Lapps have a comparatively easy time of it. Then they settle down by the shores of lakes or on mountain slopes, and there it is that visitors to Abisko for the midnight sun see this curious race.

Watch Your Kidneys!
Be Sure They Properly Cleanse the Blood

YOUR kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as nature intended—fail to remove impurities that poison the system when retained.

Then you may suffer nagging backache, dizziness, scanty or too frequent urination, getting up at night, puffiness under the eyes, feel nervous, miserable—all upset.

Don't delay? Use Doan's Pills. Doan's are especially for poorly functioning kidneys. They are recommended by grateful users the country over. Get them from any druggist.

Masonic Home News

— by —
JAMES H. HEATH

MASONIC HOME, Decoto—The Masonic Home is pleased to note that Charity lodge, Campbell, Santa Clara county, of which M. S. Stocker is the present Worshipful Master, has acquired the habit of making periodical visits, because it brings entertainment of a high order. Friday evening, on its seventh visit the lodge brought the talented Campbell high school orchestra, under the splendid leadership of Prof. A. A. Thelkie, for a long time director of the musical units of the Campbell high and grammar schools. At the close of the fine program the host entertainers provided an orchestra with a program of dance music, which was mutually enjoyed by the visitors and members of the home family. Refreshments, furnished by the visitors, the home providing suitable table service and hot coffee with an even hundred participating, marked the end of a very happy occasion.

BRIEF MENTION

The home registration for the primary election, taken by William L. Carden, totals 300, with recorded party affiliations of about an equal number of Republicans and Democrats.

Orchids to Ira W. Tucker, San Jose lodge, San Jose, and E. B. North, Vesper lodge, Red Bluff, who by reason of their outstanding acts of helpfulness to others for many months, have merited the title of "Good Samaritan." They are recovering from slight illness in the home hospital.

A glance at the latest summary by Mrs. George L. Grant, bookkeeper, shows the home to have a membership of 362, of whom 197 are men and 165 women. This gives the men a lead of 32—higher than for some time. Supt. Hartman's annual report for 1934 showed 197 men and 171 women and his report for 1935 showed 190 men and 173 women.

Chas. D. Stevens, 84, Santa Rosa lodge, says there can be no mistake about his seeing a small mountain lion below the reservoir and near the croquet grounds a few days ago.

Grand Master Earl Warren of Oakland, with several officers of the grand lodge, is making a tour of the Masonic lodges of California. He is listed for a big gathering in San Diego April 10, Good Friday.

With Dr. Daniel Cave, Westgate lodge, Los Angeles, leading the men in point of age, with a record of 95, looks like Mrs. Sarah Stevenson, California lodge, No. 1, San Francisco, leads the women with a mark of 91. Mrs. Stevenson entered the home in 1933; Dr. Cave at the close of 1935. Both are in good health.

Rev. Bernard D. Treaster, pastor of the First Methodist church at Hayward, conducted the religious service of the home Sunday afternoon.

HOME PERSONALS

Mrs. Mabel Cornell, Charity lodge, Campbell, and former secretary of Jarman chapter, Eastern Star, San Jose, was pleased to meet many old time friends at the home, Friday evening.

U. S. Woods, one of the home barbers, has been enjoying a visit with relatives in Los Angeles, including his daughter, Zella Wood Gregory, a teacher in a school for girls, and a sister, Mrs. Dr. Arthur Burroughs.

Sympathy is extended to Joseph M. Corson over the passing of his brother, Henry Corson of San Francisco.

Mrs. Emily K. Hattersley, Henry Clay lodge, Sutter Creek, is spending the pre-Easter week with her daughter in Berkeley.

Hans H. Flitting, San Bernardino lodge and James Jensen, Texas lodge, San Juan Bautista, have received clearance papers from the home hospital.
